Policy Agreement/Liability Release

"I understand and acknowledge that Alive in Christ holds to a traditional, biblically-based view of scripture affirming heterosexuality as God's created intent and that this viewpoint will influence—and be expressed throughout—this retreat. I further understand that the subject matter at the fall retreat deals with sensitive topics and opinions which may or may not align with my worldview, and which also may touch on emotional or spiritual issues that are critical to me and thus may be unsettling. I voluntarily and personally assume responsibility for my participation in any and all aspects of the retreat, and I release Alive in Christ, its board, members, and any other retreat teachers or contributors from any claims whatsoever for damages alleged as a direct or indirect result of participation in this retreat."

I understand and agree to abide by the code of conduct and liability release statements above.
